Facts

Creepy Business Model

Carpet on the floors and walls!

But! Free drinks and popcorn!

Video store with 85 private booths

VCRs in stores' central area, run by employee

Held:

Pre-76 Act, but relevant in both of next two cases

Video Cases

The CATV Cases

Facts

Community Access Television

Rural communities that did not have a strong line-of-sight to broadcast TV antennae

Entrepreneur would set up a large antenna within L-o-S and then string cable from it to remote/isolated area

Then either rebroadcast through antenna or string cable directly to homes

Broadcasters sued for public performance of their copyrighted works

Held

Fortnightly and Teleprompter

No performance at all

76 Act Responses
